ADDITIONAL INFORMATION

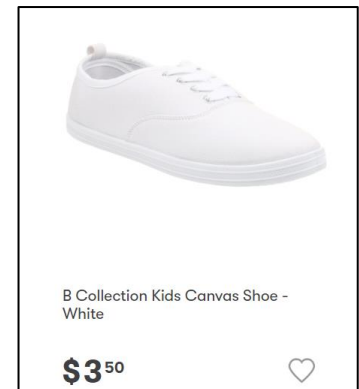

MISSING COSTUMES

If you are still waiting on costumes, please ensure you are at rehearsal on Thursday or Sunday (whichever you are required for first) and speak to Dee or Cathy from the Committee. There are still a large number of costumes to be brought in on Thursday, HOWEVER, if you have not spoken to the committee and/or if you were not present on Sunday, we are not aware that you are missing costume pieces.

FOOTWEAR

All ENSEMBLE cast are to have a pair of WHITE canvas shoes. These can be purchased at a very reasonable price from Big W, Target, Kmart, Best & Less etc. Note: the image to the right is from BIG W.

When "Black Shoes" are needed, these can be in the form of black school shoes or black canvas shoes.

RETURNING COSTUMES

After the final show on Saturday evening, all costumes must be collected. This will occur in the BACK FOYER of the JC Building. Please ensure you collect all parts of your costumes and bring them to the BACK FOYER to have your name marked off.

We have over 500 costume pieces for this show and each piece is assigned to cast members. If you do not return your costume in this way, we will be billed \$50 per PIECE of costume – this will be passed on to the relevant cast member. Please help us by returning your costume correctly!

DO NOT WASH YOUR COSTUME!

If something happens and you need to wash your costume, please see Dee or Cathy to discuss.

COSTUME STORAGE

All cast have been given a coat hanger for their costumes. For production week, please bring along a suit bag to store your costumes and props. If you don't have a costume bag, a large garbage bag with a hole for the coat hanger works just fine.

Please ensure your costume bag (or similar) is LABELLED with your name and Junior/Senior cast.

JEWELLERY

NO jewellery is to be worn on stage.

THINGS TO REMEMBER

- Ensure costumes fit correctly – speak to Dee or Cathy if you need something taken in, up, down etc.
- Be aware of undergarments – nothing should be showing. Be mindful of colours under your costumes.
As a general rule; black under black and tan/white under white.
 - Bring a pack of safety pins with you in case of emergency
 - Hang your costume up after each performance

Chookas Everyone!
